“ Adam, You reminded us every day how much you loved us. You were so happy and always lit up the room. You checked on your friends every day. You were the first person Matt and I would always turn to when we had news whether good or bad it was always “we need to tell Adam!” We spoke every single day and life just isn't the same without you. There's so much I want to tell you. You were there for us like no one else was. You were an amazing friend with a beautiful soul. You weren't just Matt's best friend, you were my best friend too. I'll love you always. Until we meet again, my friend. Rest In Peace
