“ Alan and I were members of the same Trivia team, CPAC machine users(took a long time for Al to get on board with it but he got to enjoy the benefits, finally) and fellow baseball fans, Yankees versus Red Sox! I'm sure that he will be following The Bombers when they resume play. Rest in Peace Al. -David LaPorta

“ Patty , Donna, Jimmy & Family,  
We were very saddened to hear of Alan's death. I do have memories when we were young on main street and saw each other every day. Unfortunately we all went our own ways after graduation but there is something about the D.F bond that makes us all remember and care. .I guess my father was a lot smarter then I thought he was. The smart ones stayed and kept in touch. Alan had my Uncle Jimmy's personality. An easy going , patient and friendly guy. My father would say about his brother Jimmy, he didn't know where he came from, he was such an so easy going.guy.  
God Bless all of you.
