

Lucille Marie Hennessy

March 31, 2020

Lucille Marie Hennessy a lifelong resident of Dobbs Ferry was born on June 21, 1944 to Anthony and Antoinette Ciancio in Yonkers New York. She passed away on March 31st after a short but strong fight with pancreatic cancer. She attended Dobbs Ferry schools and graduated in 1962. She was very proud of her athletic achievement while at DF High School winning awards in track & field, softball and volleyball. After school she worked in her Uncle Sam's restaurant with her family. She met her husband Edward on a blind date in the summer of 1961; they were married on August 16, 1969 at Our Lady of Pompeii church. She spent her life raising her two children Brian and Kathleen, and caring for her grandchildren. She was very active in her children's grade school, Sacred Heart of Dobbs Ferry, serving on many committees and was co-president of the Home and School Association and a Co-Chairperson of the fundraising committee. She and her close friend Geraldine Mullen started the Limited Ticket Raffle for Sacred Heart which is still one of the major fundraisers for the Sacred Heart-Our Lady of Pompeii parish. She was a parishioner of Our Lady of Pompeii parish and active in their annual spaghetti dinner. Lucille was a person who could brighten your day with her infectious smile and laugh; she would make anyone she met comfortable and go out of her way to help her friends. She was very proud of the friendships she maintained from high school and will be sorely missed by everyone who knew her. She is survived by her husband of 50 years Ed, son Brian (Rosanna), daughter Kathleen Tobacco (Jason) and grandchildren Gabriella and Christian Hennessy, Kailee and Jaden Tobacco, brother Anthony Ciancio (Eleanor) of Whitesboro NY along with many cousins, nieces and nephews from both the Hennessy and Ciancio families.

Due to the current state guidelines there will be no funeral, only a graveside service with the immediate family, at a later date a memorial service will held.

“ Dear Ed, Brian and Kathleen,

Bill and I are devastated and so saddened by the news of the sudden loss of your wife and mother. She was certainly a ray of sunshine. Whenever we ran into her she brightened our day with her warmth and friendliness. What a loss for you and your family, your faith community, and for this village that we love.

“ Dear Ed, Brian, Kathleen and family, Tony and I were so sad to hear of Lucille's passing. What a terrible loss of such a wonderful person. I grew up a few doors away from Lucille on Palisades Street (back street) and remember seeing her all the time. She had that wonderfully contagious smile and laugh. I don't think I ever saw her angry or unhappy. Your family and Dobbs Ferry has lost a shining light. May she rest peacefully in the arms of the Lord. We will always remember her. Our sincere sympathy to all of you.

“ Dear Ed, Brian, Kathleen and Family,
My love, prayers and sympathy are with you all as you give your living wife, mom, grandmother, and friend to all of us, back to God who blessed us all with her love and presence through the years. Lucille was a “Little Lady” but “Larger than Life” to all ! She was a woman of strong faith in God and expressed that in her loving care for others.

I have so many fond memories with her and all of you! I will remember Lucille and Eddie

sitting together in their pew in Church! Leave room for her now Ed as she will always be by your side. She joins the Communion of Saints who seem to be filling up a Reserved Section in Heaven and holding up a sign that says “Dobbs Ferry”! We see their faces and notice now that they are all praying- cheering and clapping for all of us “ their loved ones and friends”. Their love and prayers will get us through this difficult time here in Dobbs Ferry and in our World.

Eternal Rest Grant To Lucille O Lord and Let Your Perpetual Light Shine Upon Her!
May She Rest In Peace - And May The Souls of All the Faithful Departed Through the
Mercy of God Rest In Peace. Amen. With Love and Hope, Sister Connie Koch,

“ Dear sweet Lucille Ciancio Hennessy, my oldest lifelong friend. We grew up together in this village and have remained good friends all these many years. Anyone who knew Lu or Lucia as I called her, knew her to be the sweetest, kindest, caring, giving, honest, loyal person ever. She was truly special.

Lu was devoted to her family, cared about her community and was a true friend. There are no words to describe her loss but to say she will forever remain in our hearts.

Our heartfelt sympathies to Eddie and the entire Hennessy family.

With all our love,

Annette and Donna

“ I would always love when Mrs. Hennessy would visit the Hardware Store, she always had a smile on her face (especially when making a joke about her husband). She was also one of my favorite people to “bump “ into on the street because she greeted you like you were family.
When I think of my favorite things about Dobbs Ferry she will always be one of them.

“ A beautiful woman who was loved by everyone who knew her. I will miss her lovely smile and her infectious laugh. She was kind, loving, and genuinely sincere. She would give her all and ask for nothing in return, just friendship. I pray that Ed, Brian and Kathleen find comfort in knowing that Lucille was loved by everyone. “ Lou, was the most compassionate and caring person I had the pleasure of calling a friend. We played softball together and boy she could really smack one! The past few years when Joe and I visited our family in Westchester, we would always make it a point to go to Mass at Our Lady Of Pompeii Church. We would walk in and see Lou and Eddie at their seats in the back row. We would sit in front of them and have a nice chat (before Mass) and she would fill us in on Dobbs Ferry happenings. I will miss her deeply even though we only saw each other a few times a year at Church. Lou, You certainly earned your place in Heaven. Till we meet again my friend. ☐☐

“ Dear Ed, Brian, Kathleen and family ...

My love and deepest sympathies are with you at this time.

I was lucky to have a childhood brightened by the sunshine of Lucille. Even as an adult, seeing her face, released a rush of warm memories and that "at home" would always surround me.

I wish I had known how sick she was...I certainly would have told her what she meant to me and how much I loved her...but I guess in away...I am telling her now.

Please know how heartbroken I am and be certain...
Lucille will forever live in my heart....as well as yours.

Godspeed ...

“ Dear Ed, Brian, Kat and families,

Words cannot express how sorry we are for the loss of a truly remarkable woman. Lucille was always there for the Degan and Mullen families in good times and in bad.

Her infectious laugh and smile lit up the room, and she always made everyone around her feel better. We treasure all the fun we had over the years and the many wonderful memories our families shared with Lu.

My Aunt Gerry's partner has joined her again and right now they're having a lot of laughs catching up....

Love to you all,
