

Madeline Bonadies

March 13, 2019

Madeline Bonadies, 94, a long-time resident of Dobbs Ferry passed away on March 13, 2019. She was born the daughter to the late Alphonse and Clara Bonadies and graduated from Dobbs Ferry High School, Class of '42.

Madeline started her college education at Manhattanville College during which time she entered the convent where she was a Sister of Mercy; Sister Mary Xavier. She lived and served in Port Jervis, NY, where her interest in biology flourished. Madeline went on to do her Masters Degree at St. John's University and shortly after completing this degree, she was given the opportunity to pursue a challenging and long career as a Laboratory Director and instructor at the Somerset Medical Center, in Somerset, N.J. where she lived for about 17 years, making life-long friends. She continued to come back to Dobbs on the weekends to be with her sisters – now all predeceased (Marie, Mary, Frances, Josephine, Genevieve and Jeanne) and forever in all of our hearts. In more recent years, Madeline and her beloved sister Jeanne (two 'peas in a pod'), were active members of the Dobbs Ferry Women's Club – a joyful group of women who have touched their lives in very special ways. Madeline loved playing Bridge and attending the Book Club; she also was a former Vice President of the club.

Madeline is survived by her nephews: Louis Pisano, Richard Marone, Lawrence Marone and her nieces Claire Boylan and Lisa Marone-Schmidt and great & great-great nieces and nephews. She was so loved by her many cousins, extended family and dear friends as her life touched so many!

Comments

“ Our family has a very special memory of Madeline as well as her sisters Mary and Jeanne. My husband and I were searching for a house in Dobbs Ferry and became the new owners of Madeline's sister's Mary's home on Seneca Street. We had a celebration dinner with them all when the house closing happened and they were generous to share with us the amazing story of the Bonadies' sister's childhood. We shared with them the birth of our daughter and visited with them with our infant daughter. We would always have chats with Madeline when we saw her in town. She is a warm, cheerful and generous soul who blessed our lives as we think of her every time we enter our home!
