“ I remember living in mount kisco chase and we befriended the Grant family. I was always struck by Suzanne's friendliness, openness, vigor and kind energy. She was enthusiastic about everything she did and was always looking for ways to improve things and help out. She always outdid herself in everything whether it came to decorating the house for Halloween (always was my favorite house to trick or treat at) or helping out with everything at Mount Kisco Elementary. I am so sad to hear of her passing and I will be thinking of her

“ I am so sorry to hear of the loss of Suzanne, I send my deepest sympathy to her family. Suzanne was a warm, kind, and friendly person filled with positive energy and generosity. She put 110% into everything she touched from being a great mom, friend, and volunteer. She was extremely dedicated to everything she was involved in from the BCSD board and other activities and committees she volunteered on over the years. She treated everyone with the utmost care and respect. She was a true role model not just for her family but for anyone who knew her. I'm glad I had the chance to know her and have the opportunity to experience her graciousness and dedication to anything or anyone she came in contact with. A true leader and a genuine human being whom I will never forget.

“ One of the most vivid memories I have of Suzanne is her cheering for our kids at a track meet in Brewster. She had a school board meeting, but true to form, made sure she didn't miss the meet. She was one of those parents that cheered for every Fox Lane kid, not just her own. Her enthusiasm was contagious.

“ I am in disbelief and I share my condolences with Suzanne's family. About 15 years ago I walked into a MKESA meeting not knowing a soul, but Suzanne not only welcomed me, but made sure I took over her old Communications Coordinator position. I will always remember her leadership and all she did for our children. I am very saddened to hear of her passing.

“ Suzanne was one of the most inspirational people I ever met. She was a pillar of integrity and always inspired me to think what I could do for kids. Her compassion and service to others was always clear. I would not be the teacher and person I am if not for Suzanne. Her legacy and her family will continue to serve as shining examples of excellence and love in our community.

“ I remember sitting next to Suzanne at the annual extended family Passover seder. She was always so interested in catching up and asking me about me and my family's life. One time I remember chatting with her about our PTA volunteer experiences. At my children's school at the time we had low parent volunteer participation. She enthusiastically shared her "yellow folders" idea with me. She said we have to make it easier for others to try volunteering. The folders included all the helpful info from the past person in the role so that the next person would immediately feel comfortable and confident with the support provided. She was so smart, humble, elegant and always full of good advice. At family gatherings she was always a helping hand. Suzanne, I will miss the gift of your warmth and generous spirit.

“ Some of my memories of Suzanne are the times she and I shared driving to her house on Rosh Hashanah. After our big lunch at Aunt Ruth's, dessert and wiffle ball were always served at David and Suzanne's. I would duck out of the family gathering with Suzanne and we would make the short drive to her house and set up coffee and tea and put out desserts. But it was the time in the car when we could talk about our families and our kids and any struggles we might have shared being part of a large, strong and dynamic family. I'm pretty sure I did most of the talking but Suzanne was always so kind and helpful and understanding. Suzanne, you were such a beautiful soul and you will be so greatly missed. Love, Jamie
